# POSITIVITY IN '05

#### Dick Leshley, 2005 President

Happy New Year from me to you! I want to take this opportunity to extend our heartfelt thanks to John Pundt for his effective stewardship of our Chamber in 2004. This year we plan to build on the spirit of POSITIVITY and want to include more members in our day to day work. If you are an employer what better way to grow and develop employees than to have them involved and networking with our business community. If you are self-employed take advantage of the opportunities offered by your Chamber to grow your business. We need new ideas, energy and vision in our committees. Pick a committee and participate. If you don't know where or how call me (267-3111). If you don't know anyone and are shy call me and I'll be there to introduce you. Our Bay Area has seen hard times in the past, but by working together we will thrive in 2005. See you in the funny papers.

Your President,  
*Dick Leshley*
