

SWOCC Small Business Development Center

The SWOCC Small Business Development Center provides practical information and services for business success. We provide specialty assistance to both rapid growth businesses and start-ups. Our goal is to *Strengthen and Support and Entrepreneurial Culture*.

The Center can design training tailored to meet the needs of your business or organization. No matter the size of your operation, training can be provided that will enable you and your employees to learn or improve skills and learn new technologies.

We are here to help you make your business a success!

Typical Courses & Workshops

[Ready, Set, Start Your Business Workshops](#)

Learn about the critical "first steps" everyone faces when considering starting a new business.

[Simplified Bookkeeping Workshop](#)

Both current and potential business owners can learn how to establish and maintain a simple set of books on the cash basis through a dynamic four hour workshop being offered by the Southwestern Oregon Community College Business Development Center in North Bend.

[Skills to Prosper Series I: How to Write a Successful Business Plan](#)

Looking for a way to be more effective as a business owner? Trying to finance your business? Want to plan for business expansion, retirement or selling your business? The Southwestern Small Business Development Center (SBDC) is offering a 6-session workshop that focuses on building a business on solid ground.

[Marketing on a Shoestring Workshop](#)

Have too many marketing needs for your budget? Want to increase your sales potential? The Southwestern Oregon Community College Small Business Development Center (SBDC) offers a three-hour "Marketing on a Shoestring" workshop

[QuickBooks® for business owners](#)

The Southwestern Oregon Community College Small Business Development Center (SBDC) is offering a 10-week training series on QuickBooks®. Participants will learn everything they need to know to operate this useful accounting software. This once-a-week interactive series is a comprehensive hands-on QuickBooks course designed to help businesses utilize the many aspects of the application.

[Supervisory skills training available](#)

New supervisors and those wanting to fine-tune their management skills can benefit from a six-session workshop series sponsored by the Southwestern Oregon Community College Small Business Development Center (SBDC).

More course are available.

Chamber members receive a 30% or more discount on all the class offerings.
